

Where Do PTO Funds Come From?

The UES PTO organizes several events and initiatives throughout the year. One thing that PTO does not do are door to door fundraisers. Money raised during a given school year is used to create the budget for the next school year. Below find pie charts representing this year's expense budget corresponding with the income generated during the 2016-2017 school year.

Income 2016-2017

2017-2018 Expenses
